Re: In re: Cathode Ray Tube (CRT) Antitrust Litigation
Case No. 3:07-cv-5944 JST
MDL No. 1917

Dear Mario, Chris & Bob:

I write to you three to request that any documents that exist which purport to be related to any fee audit that was conducted be placed in the record and served on all plaintiffs' counsel.

Although Mr. Alioto stated that no such audit papers exist, that is unbelievable, given the work allegedly done by a group of plaintiffs' counsel reviewing all counsel's lodestar reports (and reducing some), that not one single piece of paper exists. Additionally, I have been informed that Mr. Micheletti has stated that he had an "audit report" of fees, but would not give a copy to anyone.

Therefore, I formally request that any and all pieces of paper that reflect any fee investigation or audit by any firm or group of firms be produced to all plaintiffs' counsel and filed in the record.

Very truly yours,

Francis O. Scarpulla
